Dear Miss Moore:

On Dec. 23, 1969, you sent us a certified copy of Resolution No. C-20634 requesting the withdrawal of the territory within Increment 204 from the Consolidated Sewer Maintenance District and from County Lighting Maintenance District No. 10026.

The Special Districts Section of the County Engineer's office has informed us that only the withdrawal from the Consolidated Sewer Maintenance District will be effective on the 1970-71 tax roll. The contract modifications involving County Lighting Maintenance District No. 10026 were not accomplished on or before January 1, 1970. Section 5847 of the Streets and Highways Code specifies that any existing contracts involving maintenance districts must be cancelled or modified before a withdrawal from such a district becomes effective.

Because of this complication it might be a good idea to adopt separate resolutions requesting withdrawal from Lighting Maintenance Districts. There are usually no contracts involving Sewer Maintenance District.

Sincerely yours,

Martin C. Rohrer
